AdSeat™ [Products & Prices]

The shape of our AdSeat™ advertising furniture is influenced by its clear cut lines and reserved simplicity. AdSeat™ allows for un-endless graphical freedom and maximum impression, bringing your presentation optimally to the fore. The patented AdSeat™ furniture range allows for assembly without screws or glue. An Ideal system for exhibitions, events or at the POS – both in and outdoors.

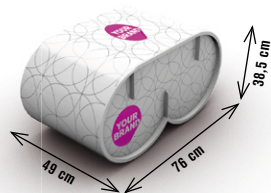

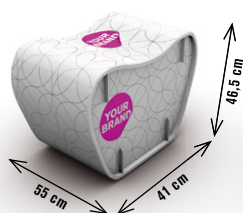

The AdSeat™ chair is the basis of this ingenious system. The modular system allows you to realise a myriad of combinations. With very little effort two or more AdSeat™ are easily combined to make a sofa.
